INTERNSHIP PROGRAM ADMISSIONS

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:

MiraCare Group primarily is a child/adolescent and family-driven practice. We currently combine the knowledge and expertise of more than 20 clinical staff to offer individual, couples, family, and group therapies. We also offer psychological assessment, psychiatry services, and psychoneurotherapy services. We treat a diverse range of patients in terms of age, diagnosis, and severity. We look for interns who are interested in providing psychotherapy and form assessment services to children, adolescents, and families. We require candidates to have the equivalency of three years or more of experience in practica and/or field-related work experience.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

<i>Total Direct Contact Intervention Hours</i>	Yes	Amount: 450
<i>Total Direct Contact Assessment Hours</i>	Yes	Amount: 100

Describe any other required minimum criteria used to screen applicants:

We also require a psychological testing report with de-identified information.
